

**North Dakota Masonic Foundation  
Harry A. Miller Masonic Memorial Endowment  
Community Grant Program**

The North Dakota Masonic Foundation is pleased to inform you that we are continuing the Community Grant Program. This Grant is available on a first come first served basis as the Foundation is limited on its funding for this coming year.

**GUIDELINES:**

1. A Lodge must be in good standing with the Grand Lodge A.F. & A.M. of North Dakota to be eligible for a Harry A. Miller Masonic Memorial Community Grant.
2. The Harry A. Miller Masonic Memorial Community Grant Program will award participating Lodges on a one time annual basis \$500.00, who in turn will present the Community Grant to an eligible civic endeavor - i.e. Fire Department, Ambulance Service, Community Library, Park Play Ground Equipment, Park Picnic Shelter, Non-Profit Animal Shelter, Community Beautification Project and etc.
3. The Community Grant Award must be used for local civic needs; it cannot go to a state or national charitable program; i.e. United Way, American Cancer Fund, Dollars for Scholars, Shrine Hospitals and etc. and cannot go to an individual.
4. The participating Lodge making the Community Grant Award must supply a press release with a photo of the presentation to their local newspaper. A copy of which must be sent to the Grand Lodge, The failure to do so will affect the awarding of future Community Grants to the non-complying Lodge. Publicity of this program is a must and the participating Lodge must make every reasonable effort to do so. Local Lodge recognition is one of our goals. We also request that the receiving community civic group send the North Dakota Masonic Foundation a Thank You.

**DISTRIBUTIONS:**

The application for this Community Grant will be reviewed and awarded during the Foundation meetings, held in March and June. Checks will be issued at the start of the next quarter, made payable to the civic endeavor requested by the participating local Lodge for presentation by the local Lodge.
