

PETITION FOR DEGREES OF FREEMASONRY IN NORTH DAKOTA

To the **MASTER, WARDENS AND BRETHREN** of _____ Lodge No. _____,
Ancient, Free & Accepted Masons of North Dakota

I, the undersigned, respectfully state that, unbiased by friends, and uninfluenced by mercenary motives, I freely and voluntarily offer myself as a candidate for the Degrees of Freemasonry; that I am prompted to solicit this privilege by a favorable opinion conceived of the Institution, a desire for knowledge, and a sincere wish of being serviceable to my fellow creatures, and should this petition be granted, I promise to conform to all of the established Laws, Usages and Customs of the Fraternity. I declare that I was born a biological male and shall continue as such as a Freemason.

FREEMASONRY
A great way of life!

What it means to be a Mason. It means:

1. Belonging to the largest and oldest fraternity in the world.
2. That you believe Faith is central to a good life.
3. Believing that the strength of the family, the church, the community and our country rests with men of strong conviction, firm ethical and moral values and a devotion to our democratic system of government.
4. Becoming a better person while helping to improve the quality of life for others; a deep satisfaction that comes from selfless giving.
5. That each man and woman has an absolute right to intellectual, spiritual, economic and political freedom.
6. That honesty and integrity are essential to life.
7. That each person has the responsibility to be a good citizen
8. Sharing the values of our nation's founding fathers.

The right to petition for the degrees of Ancient Craft Masonry is rarely denied any man, but his right goes no further than granting the privilege of petitioning, and all who petition are not admitted. The Masonic Fraternity wants and welcomes only men of high character and integrity, who seek admission of their own free will and accord. Should a petitioner be accepted, he gets no more out of Masonry than he puts into it, and for every benefit received, a member is expected to render some equivalent.
